JULY 2009

Grand Opening Open House

We are happy to announce that the Open House in honor of the completion of the Phase II building project will be Saturday, August 22, 2009 from 2-5pm. Please come! We will have blessings and prayers by Bishop Kevin Rhoades, music by the Monocacy River Boys, tours, treats and camaraderie. You will see on the tour, the donation bricks have found a most important job and location. The historic fireplace on the lower floor required complete re-facing. We were lucky to have a most excellent Mason, Gordon Gilbert (Carroll Highlands Masonry). Gordon has re-pointed the upstairs fireplace where we were able to display the original brick manufactured from the mud on site in the 1800's. The downstairs fireplace needed extensive repair and the engraved bricks are a profound tribute to those brick donors who helped build EOPCC.

Drs. Hegazi and Hudhud of Frederick Oncology Hematology Associates, P.C. plan to begin their cancer care for the Emmitsburg area at EOPCC on September 1, 2009. Space for a psychiatrist is available, so if you know a qualified psychiatrist interested in opening an Emmitsburg office, please

Daughters of Charity Bicentennial: Bake Sale Help Needed

Emmitsburg Osteopathic Primary Care Center also has been asked to help celebrate the Bicentennial of the Daughters of Charity in Emmitsburg. We are proud to be brick supporters for their healing garden. We will also be providing baked goods for their celebration August 1st and 2nd. The bake sale is a wonderful fundraising opportunity for EOPCC. We are in need of bakers; items wrapped for sale will be in individual serving sizes when sold. We also need help with set up and take down. Volunteers can call Cathy Bodin at (301) 447-2690. Baked goods can be dropped off as early as July 26th if freezer friendly and accepted as late as the date of the two day event itself. Also we could use on site cooler loans. Please label any items to be returned to you! We also must have each package of donated items on delivery labeled by location and person baking in case of allergic reaction or other reaction per the health departments regulations. If there are peanuts or other nut products this needs to be labeled as well as sulfites which cause some an allergic reaction. We cannot begin to thank you enough for your assistance!

Oktoberfest: October 10, 2009

Save the date for Oktoberfest: October 10, 2009, 4:00PM to 7:00 PM. Formal invitations will come within six weeks of the event. We give special thanks to **Bob Hance** and **Marty Qually** of the Carriage House catering service. The Carriage House is assisting us to make this a very fabulous event. WE ARE IN ESPECIAL DEEP GRATITUDE TO MONICA AND BARRY LUCEY who for the third straight year are loaning us their heavenly home and gardens, Penterra Manor, for EOPCC's fundraising event. **Dr. David Rehm**, wine specialist par excellence, and Vice President for Academic Affairs of Mount St. Mary's University, will again guide us though our happy seas of aromas, palate sensations, textures, visual appreciation of wines. As usual, there will be the best in friendship, fun and silent auctions and music. For the Music Woman herself, we begin are applause now for the joy of **Linda Duffy!** Donations of food, auction items, help with set up and take down are needed and deeply appreciated! For details call Cathy Bodin at (301) 447-2690 or visit www.eopcc.org

Board Member Update

EOPCC welcomes Millie Vauthrin to the board of directors!

A sad farewell to Myrna Eshleman and best wishes to her future at her new nursing school. Myrna served with love, kindness, compassion and wisdom from our beginning.

About EOPCC

Called the "Miracle on Main Street" by the Frederick News Post, Emmitsburg Osteopathic Primary Care Center is a 501(c)(3) non-profit charitable organization dedicated to providing medical education and patient-centered osteopathic healthcare.

EOPCC operates a medical center in the heart of Emmitsburg, Maryland, where the organization provides primary care services for more than 1,500 residents of northern Frederick County, Maryland and southern Adams County, Pennsylvania. In addition, EOPCC's medical center serves as a hub for medical services in the community by renting space to other healthcare providers.

The organization serves the needs of our community's working poor by providing care with compassion and dignity regardless of patients' financial situations. EOPCC provides nearly 10% of its total office visits free of charge to the uninsured and provides more than \$100,000 in free medicines each year to the uninsured and underinsured. EOPCC also educates future medical care providers, including medical students, nursing students, and college students.
